

Dear Mike and Jim,

We missed your good company after you left and when we got home I discovered I had forgotten to serve the Cranberries for dinner on Thanksgiving. Mary and Mike came over in the afternoon on Friday and I warmed up the food and that is when I discovered the Cranberries. Mary had a headache so I sent the heating pad around her neck and we started playing bridge. We played for eight hours. Dad or Mary usually are the first to quit after about two hours but this time I was the one who finally had to mention I was getting a little weary. We got to bed about 1:20 and didn't get up until ten o'clock.

Mary and Mike rented a truck today and moved to Olympia.

dead and I see sleeping house
tonight and are downstairs
watching television.

We are talking about our
trip out back to see you,
in the spring. We could stop
in Minneapolis a couple of days
and then Fredericksburg for
about three days and we would
like to go down to Tennessee
and Louisiana to see our old
places and see how several
friends down there who might
be fun to see.

I hope you were able to
rent a truck, Jim and I hope
the rehearsal and wedding went
along fine. It was wonderful
you could make this trip
and we were so glad to see
both of you. Jim I hope you
got over your upset stomach

Mary and Mike have just
come in. They had a big
truck so were able to get

are now furniture over to
the new apartment. Sunday
they will somewhat clean
the apt in Tukwila and then
they can start getting settled
in Olympia. They plan to stay
at our house a lot during
December since they will be
still working in Seattle.

I hope school and work
will be over to get back to.

Love,
Mom.
